## Mentor Protégé Spotlight

### Millennium Institute of Construction (MIC)

As a decade-long institution MIC is committed to excellence in education and training. Our goal is to help foster the development of well-informed and well-prepared persons who are prepared for success and leadership in our area of specialization. MIC is dedicated to providing high quality, comprehensive, and accessible training opportunities that respond to the ever-changing construction industry needs. We seek to enable individuals to reach their full potential through successful competition within the marketplace.

For more information on MIC go to <http://millenniumtysons.com/> or give them a call at (703)298-5789.
