Why Choose Belstar

- Core Values
 - Trust - Faith In Others
 - Shared Values - Common Goals
 - Effective Communication - Good Listeners
 - Humble Leadership - Shared Spot Light

Belstar Turns 25!

2010 marks the 25th Anniversary of Belstar, Inc.! Belstar would like to thank its clients, teaming partners, colleagues, and employees for making the past 25 years such a success. Without you, this silver anniversary would not be possible. Please join us in celebration of this incredible milestone, and in making the next 25 years an even bigger success!

What was happening when Belstar was founded?

- Canadian paraplegic athlete and activist, Rick Hansen, sets out on his 40,000 km, 26 month Man in Motion tour on March 21, 1985, eventually raising \$26M for spinal cord research and quality of life initiatives.
- March 25, 1985 - The 57th Academy Awards are held in Los Angeles, California with Amadeus winning Best Picture.
- On April 15, 1985, South Africa ends its ban on interracial marriages.
- UC Berkeley graduate student, John Hauser, loses four fingers and vision in one eye on May 15, 1985, marking the first serious injuries caused by an explosive device sent by the Unabomber.
- On June 17, 1985, John Hendricks, launches The Discovery Channel in the United States.
- June 27, 1985 marks the day that U.S. Route 66 is officially decommissioned.

New Staff

Andrew Stanton, a Civil Engineering Major at Clemson University in South Carolina, has joined Belstar as a summer intern on the Woodrow Wilson Bridge project. Andrew's internship at Belstar will be a rotation program onsite working under the guidance of Belstar colleagues Hassan, Leslie, Michael, Greg and Don.

Project Wins

Belstar is a member of the AECOM team for the Runway Safety Area (RSA) Improvements Contract at the Baltimore Washington International Airport (BWI) (MAA-AE-10-008) with the Maryland Aviation Authority (MAA) On-Call Services. AECOM is the prime of record.

Empowerment - All of the above
*By Lon Solomon (3-5-2000)

- Facility/ Program / Project / Construction Management / Cost Engineering / Cost Management / Dispute Resolutions and Claims Analysis / Scheduling
- 25 Year Record of Performance
- Fees average 24% for Office / 22% for Field Below similar sized firms

Belstar is a member of the McDonough Bolyard Peck (MBP) team for the Virginia Department of Transportation (VDOT) Salem District Construction Inspection III Contract Services. Project duration is three years. MBP (Roanoke) is the prime of record.

Belstar is a prime contractor to the DC Department of Transportation (DDOT) On-call Contract DCKA-2010-T-0012 for Constructability Review and Miscellaneous Design Services and Construction Engineering and Management Services. The contract is for three years.

Promotions & Recognitions

Belstar colleague Don Buckbee began his new assignment on Belstar's Woodrow Wilson Bridge project as a Senior Inspector, making him the fifth member of the onsite Belstar team.

Congratulations to Mr. James E. Bennett, President and CEO of the Metro Washington Airports Authority, on his retirement.

Congratulations to Mr. James G. Zack, Jr., Executive Director, Corporate Claims Management, of Fluor Corporation, on his retirement.

Mentor Protégé Spotlight

James Young Fabulous Finishes (FF) is a residential, commercial and post construction cleaning company specializing in full service professional restoration cleaning. With over 10 years of experience serving Maryland, DC and Virginia, they can out clean any company in the area due to their focus on detail and efficiency. They are bonded, insured and offer a wide range of cleaning services, including:

- **Post Construction Cleaning** for new home builders: We make new homes look as if no dust ever existed in them!

- **Office Cleaning:** We care about how your image is perceived by your customers/clients.
- **Remodeled Homes:** We can clean it!

James Young FF is part of the Team Cleaning Systems Training. This certification training is a check and balances system ensuring that ALL jobs are completed with a quality assurance.

They have recently gone **GREEN** and are now using all natural products. This has helped reduce the amount of waste by introducing micro-fiber towels instead of standard paper towels.

They offer free estimates serving the entire Metropolitan area.

ACE Mentor Program

Congratulations to the 2010 ACE Washington, DC Scholarship winner, Travon Greene, from Crossland High School. Travon, an Architectural Engineering student, won the Ranin Talbert Memorial Scholarship sponsored by USGBC and Belstar.

Congratulations to Christine Merdon of Mckissack & McKissack. Christine is the new President of the ACE Mentor Program Washington Chapter.

Also, the Washington Chapter of the ACE Mentor Program is a finalist for the 2010 Greater DC Cares *Business & Nonprofit Philanthropy Summit Award*.

Congratulations to all those who have contributed in some way to make this program such a wonderful success!
