Mentor Protégé Spotlight

M.A. Associates, LLC (MAA)

With a growth rate of over 50% in the past two years, MAA has rapidly positioned itself as a serious player in both the regional and national market for providing cost engineering services.

MAA is a small minority owned firm, located in Laurel, MD., that specializes in providing both public and private sector firms with up-to-date cost estimating services. MAA's commitment to excellence is shown time and time again by the quality of service that is given to each client. Due to this commitment and continued support from our Mentor, Belstar, Inc., MAA secured its first national competitive award. MAA was recently selected to provide cost engineering support services for the U.S. Army Corps of Engineers Mobile District. MAA also provided cost estimating/value engineering for HDR Architecture for both the \$740M Ft. Belvoir Army Hospital and \$36M NARMC/Dental Clinic projects. MAA was recently selected to provide cost engineering support for the proposed STRATCOM replacement project at Offutt AFB, Nebraska.

The MAA management team and staff are always eager to serve and provide our clients with the assurance that what is important to them is equally as important to us.

For more information on MAA go to <http://maassociates.net/> or give them a call at (301)498-5020 or toll free at (866)-518-5591, Michael A. Withers, Principal.
