## Special Announcements

Belstar would like to acknowledge Military Appreciation Month (May), Asian American and Pacific Islander Heritage Month (May), and National Women's Health Week (May):

### Military Appreciation Month

May was National Military Appreciation Month. Designated by Congress in 1999, Military Appreciation Month ensures the nation is given an opportunity to publicly demonstrate gratitude for all that has been given by our past and present service members. The month of May was chosen because it has the most days set aside for celebrating and commemorating military achievements.

Please join Belstar in thanking and celebrating our nation's military for their sacrifices and successes. Let us celebrate those on active duty in all branches of the services, the National Guard and Reserves, plus retirees, veterans, and all of their families – well over 90 million, and more than 230 years of our nation's history.

Click [here](#) for more information about Military Appreciation Month.

### Asian American and Pacific Islander Heritage Month

May was also Asian American and Pacific Islander Heritage Month (AAPAHM). Beginning as a House resolution in 1977, and signed into law in 1992, May is the perfect time to celebrate the achievements and contributions of Asian Americans and Pacific Islanders in the United States. The commemoration of the immigration of the first Japanese to the United States took place on May 7, 1843. The completion of the transcontinental railroad, with the majority of the tracks of the railroad laid by Chinese immigrants, occurred on May 10, 1869. For more information about the variety of events and programs honoring AAPAHM, click [here](#).

### Women's Health Week

National Women's Health Week, led by the U.S. Department of Health and Human Services Office on Women's Health, was a week dedicated to empowering women to make their health a priority. Beginning on Mother's Day, May 14, and celebrated through May 20, 2017, this is the 18<sup>th</sup> year the annual celebration took place. For more information regarding steps that can be taken at any age to improve health, click [here](#). For additional resources, including a "What's Your Health Style?" quiz, click [here](#).

## ACE Mentor Program

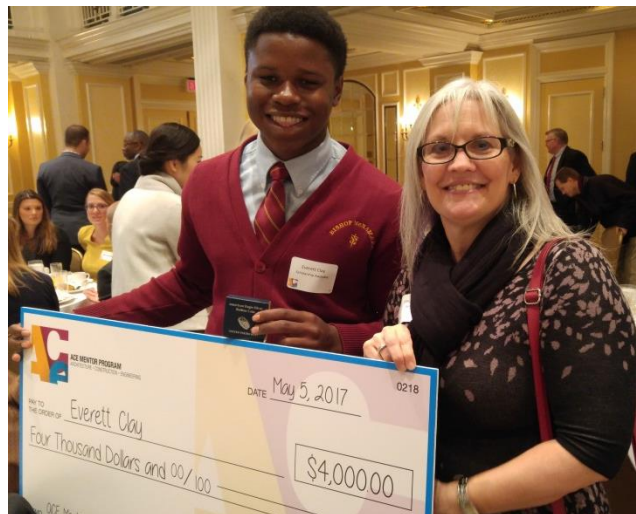

Belstar is a sponsor of the Architecture, Construction and Engineering (ACE) Mentor Program of the Greater Washington Metropolitan Area. This program has volunteer mentor teams that go to area high schools and engage students in hand-on industry-related activities and construction site tours, encouraging them to consider careers in architecture, construction and engineering.

The ACE Mentor Program of Washington, DC held its 17th Annual ACE DC Scholarship Awards Breakfast on Friday, May 5, 2017. The breakfast was held in

the Grand Ballroom of the Willard Intercontinental Hotel in Washington, DC. In attendance from Belstar were Ms. Gina Welc and Ms. Cindy Clymore.

Opening comments were given by Mr. Paul Choquette, III, Board President, followed by an update from ACE National's, Ms. Diana Eidenshink, Interim Executive Director. Following this update, the Keynote Speaker, Mr. George Hawkins, Esq, was introduced. Mr. Hawkins is the Chief Executive Officer (CEO) and General Manager of D.C. Water. Mr. Hawkins has received many awards for his work over the years. He has been instrumental in helping to construct the \$2.6 Billion Clean Rivers Project to prevent overflow of sewage and storm water into various rivers (Rock Creek, Potomac and Anacostia). Mr. Hawkins was appointed to the National Infrastructure Advisory Council (NIAC) in 2016. He is a graduate of Princeton University and Harvard Law School where he teaches Environmental Law and Policy at Princeton.

The Program continued with the presentation of the scholarship awards. At the breakfast, local area high school students were recognized with scholarship awards for their outstanding commitment to architecture, construction, and engineering, as well as their overall academic achievement. Belstar would like to congratulate Mr. Everett Clay, who will be pursuing a Computer Information major, who won the scholarship sponsored by Belstar, known as the Daniel J. Belcher, Sr. and James G.
